Chairwoman

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Pilot Sanitary Sewer Lead Program for fiscal year 2024. This project will provide infrastructure improvements to Clinton Township. The project is an appropriate use of taxpayer funds because it will repair sanitary sewer leads or connect to the public sewer system for low-to moderate-income households.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
